Old Business:

Gun Safety and Handling Course

Letter from the SubNoir club with offer of classes they have available passed around to members present for Review.

Suggestion from Cindy Wyss on getting a Women On Target class from the NRA
Eric Larson spoke about the sts-nh.com Matthew Cashin training courses.

New Business:

Mowing

Review of the incident during mowing on August 2nd, 2024. Mike Emerson to now padlock the gate with His own padlock while he is mowing so that the range is not accessible until he has finished mowing. The individual for the reason of this discussion is known, and if it happens again he will be dealt with. An email Was sent out to all members to remind them of the mowing and rules regarding the mowing.

Lou Mardin Plinker

Coming up on Sunday, need volunteers and participants.

A Suggested 'Fun Shoot'

Discussion of a 22LR Fun Shoot, less expensive rifle, 12 power or under scope, soft bags or sand bag rest only. Suggested Target shown.

Date not yet set. No lunch provided but drinks on sale. Lower fee to enter \$10 per gun or \$15 for two guns. Will email out a feeler and the Date & Time when decided. Will need volunteers to arrive by 7 am to set up As is our usual request.

Old Fashion Field Day

Bruce Simonds has been asking to have an Old Fashion Field Day. Bruce will furnish the targets and shoot in the field day. Could not get him to commit to working the shooting. Gary did explain to Bruce that we need Help with the organizing and running of the Old Fashion Field Day. That our core of 8-10 volunteers have already Donated many of their weekends to the club. If Bruce could come up with the people to organize and run he Would be more than happy to see if we could find a date for this.

Hunters Ed – Traditional Course

A lot of discussion on this subject. The Instructors group at AVFG is growing. We have 3 Chiefs and 7 instructors That are all members of the club.

So at this time we have 10 that can do instruction. We have 3-4 more members that are interested in or have already signed up to take the Instructors course being offered in September.

Regarding the question of having another group from outside our membership come in to do the Traditional 2 day course was talked about. It is the feeling of the Chiefs and Instructors that the club has enough bodies to do the Traditional at least once a year and possibly 4 field courses for those that take the on-line course.
