October 2, 2024 Meeting Summary

Meeting called to order by President Gary Griswold at 7 pm

Gary Griswold I call the meeting to order.

Secretaries report from the September 4, 2024 meeting were read and accepted as read

Treasurers report for September was read and accepted as read.

Old Business:

Firearm Safety Courses at our facility

Discussion on allowing the use of the club for instruction of firearm safety courses again. Info on those Groups that are available in the area was reviewed. There was discussion on having members of the club teach these courses. Still unanswered questions on the implications of impact of this with the 501(c)7 status We are filing for. Questions on the cost of insurance if we had club members teaching these courses. The matter was tabled again until we have further answers.

Paul Doolittle will contact the tax lawyer to get answers regarding the 501(c)7. What is the best way to handle these if done by an outside entity.

Don Clark will check with our insurance company on what coverage would be needed and the cost of it to have our own members teach the courses.

Vision Training

Enough members showed interest in this course & tool so that Anthony Patti is going to purchase the Course and offer it to the members of the club at no cost. The course has been ordered and Anthony is waiting for it to arrive. Most likely introduction to the course will start in January around the January 8th Monthly Meeting Date.

Club House Gate

It was brought to the attention of the group that a member has found the padlock not locked twice in One week when he came to use the range.

It was decided to have the secretary email the group and remind them to make sure that they 'roll' the Tumblers on the padlock to engage the lock.

New Business:

Club Dinners Thank you

Discussion on the work done by members to do the Dinners this year.

Motion made and accepted to give gift card and next years membership to Don & Ann Dodge for all the work with all the dinners and cooking they did this year.

Venue for 2025 Super Raffle Drawing and Super

Discussion on the Super Raffle Dinner location for 2025. Decision made to try one more time with it not at the Club House. Different locations mentioned. VFW in Littleton chosen as it had been used before. Lots of discussion on why the attendance may have been so light. Ticket prices brought up but no decision made to go from \$100 per ticket to \$120 for a ticket that would include your meal. Discussion of a 'social hour' prior to the meal and having the bar at the VFW available for use by the club members.

Ed Fisher check on the availability of the VFW in Littleton and the cost of the rental.

In 2022 the Dinner and Drawing were held here.

Date for the 2025 Super Raffle Dinner and Drawing was decided.

June 21st for the set up and food prep

June 22nd for the dinner time to be 5 pm.

Don Dodge will get meat prices from Jim Marshall at the American Legion in Woodsville.

Beef – possibly Boneless Prime Rib

We would need to bring our own plates, cutlery ect. To avoid using paper plates and plastic silverware.

This used to be done when the club had this function at the Armory in Woodsville.

Sighting In Day added to schedule

Discussion and decision to add a Sighting in day to the October Calendar. Secretary to print posters, email the club members and add to the website.

Date: October 27th

Time: 1 pm to 3 pm
