##### **Purchase of a Hot Dog Steamer for when we have events.**

The motion was made, seconded and all voted in favor of the purchase.

##### **Suggestions for Super Raffle**

The suggestion was made that for the next Super Raffle, instead of drawing the lesser amount prizes first, we should draw the Big Prize first so that everyone has a chance at the big prize. As well as to make the last ticket drawn a \$25 prize rather than the first choice from the door prizes. Also make it clear that to win a door prize you must be present.

##### **Changing the Tuesday Trap time from 4 pm to 5 pm**

This was discussed. The decision was to try this time change. Emails to be sent to all members. Post it on the webpage and have it on the Facebook page.

Serge Turcotte, was a member of the Hunters Education group as well as being a member of the Board of Directors. He was an integral part of the Annual Kids Fishing Derby.

Motion was made, seconded and all voted in favor of making A \$100 donation to the organization selected by his family. (The donation was made to the North Country Home Health and Hospice Agency in Littleton NH)

### **Posters for the Egg Shoot**

Posters for the Egg Shoot for Labor Day Weekend need to be printed. So that they can be put up to advertise the Egg Shoot.

### **Hunter Ed Courses in August**

Currently we have August 3 and August 16 for the one day Field Day for the Hunter Ed course. Then a 2 day Traditional Course scheduled for September 6 -7.

### **Painting of the gun racks, tables and benches.**

Cindy Wyss volunteered to do the needed sanding, scraping and painting of the gun racks, tables and benches. Colors for the run racks, green as they currently are. Colors for the tables and benches – cream or light tan, something close to what they currently are. Don Clark will get the paint and get it to a location for Cindy to pick up.

### **More shooting Benches**

Four more shooting benches have been ordered and are ready to have the concrete bases picked up. Discussion followed about the tops of the current benches and what to do about them. Nothing was decided at this time other than they need to be taken care of.

### **More round hay bales for the archery area re-build.**

It was asked if we could get possibly 5 more round bales for the area. Don Dodge will check with the farmer that supplied the 3 we have to see if he has more he would give to us. There are box targets for archery in the attic. Some branches will need to be cut to make space for the bales. The club does have some youth sized compound bows, but will need to get correct 'arrows' for the equipment.
