November 5, 2025

November Monthly Meeting Summary

The Meeting was called to order at 7 pm by President Gary Griswold

The Secretaries report from October was read and accepted.  
The Treasurers report from October was read and accepted.

**Old Business:**

Gary Griswold:

I just want to take this opportunity to thank everyone that was involved in getting this fall raffle in place. We did very well this year with the fall raffle. We actually had a \$7,826 profit from the fall raffle. This may have been a record, but if not, its close to it.

I would like to thank all those involved with keeping the trap shooting going this year. I don't know what exactly we had for the year for income from the trap shooting. Don tracks it from April 1<sup>st</sup> to March 31<sup>st</sup>. In October they brought in \$1160 that's very good, it may not be the biggest income month. We are all done shooting on Tuesdays until time change in the spring. We will continue to shoot on Sundays at 11 am.

I picked up the doors for the enclosure, we are waiting for a warm day that we can get a couple of people to hang them. Waiting on the foam board insulation for the 'ceiling' of the enclosure.

I have 2 pallets of pidgins reserved. We need to get a day and bodies when we can go and pick them up. We will have to manually load them into the trailer.

Next year we going to do some other shooting events, hopefully get club members involved with the 4-H Shooting Sports Program. Shannon and her husband did a great job with that at the Bean & Ham Dinner. Shannon will be holding the next round of instructor trainings beginning in February. Go to the UNH Extension, 4-h Shooting sports page, all the events, instructor trainings and other events coming up with the 4-H Shooting Sports are listed there, these are state wide events.

We need to get a link to Shannon's email on our website for those that would like to volunteer. Ann & Shannon need to get together to create the webpage for the 4-H Shooting info on our site.

Thank you to all that did the cooking and organizing for the Bean & Ham Dinner and the events we held that day.

### **Ruger 10/22 Raffle for Christmas?**

We are not doing the Ruger 10/22 75<sup>th</sup> Anniversary rifle as a Christmas Raffle. We will Hold that firearm for another time. Paul Doolittle explained that we are the amount of income that we are allowed for a Non-Profit with the IRS. We are limited to \$50,000 per year of income.

### **Weatherization of the Club House for Winter**

Don Dodge

I want to thank Bill Nunn and Mark Lancaster for getting the club house weatherized for the winter. The water is all set, the lines blown out and anti-freeze in the sink drains and toilets. We have shut down the heat, turned off the breaker for the hotwater heater and drained it.

### **New Members:**

Dave Carbonneau

### **Other topics for the New Year:**

Fish for the June Kids Fishing Derby.

Possibility of hosting a 4-H statewide competition

Rifles for the 4-H Shooting Program

Archery Equipment for the 4-H Shooting sports program

Working in more Fun Shoots

Hunter Ed Classes for next year

Since there was no more to discuss the meeting adjourned just before 8 pm.
