March Monthly Meeting Summary

The Meeting was called to order at 7 pm by Gary Griswold
The Secretaries report from February was read and accepted.
The Treasurers report from February was read and accepted.

Old Business:

Events

We need more volunteers for events. There is a lot we would like to do if we can get more people involved.

Suggestions:

Old time shooting with muzzle loaders

Asked for more suggestions. Some were expected to come in via email.

New Business:

Sample ballots were circulated.

Gary Griswold:

The names on these ballots are the current ones. My name should be removed as I will not be running for re-election. You have space to do a write-in.

We currently have 5 directors and no alternate. If anyone wants to nominate somebody for a director or alternate director, please do so.

We are not going to vote on this until April 4th. So we have time to get in nominations.

Paul Doolittle:

Our bylaws say that we nominate people to be an officer or directors before they get placed on the ballot. So please don't just write in a name. Stand up and nominate the person.

Jacob MacKay & Sawyer MacKay both members of the Mountaineers 4-H Club presented ideas for events

Jacob MacKay presented ideas for a Hunting Skills Day as well as suggested dates for the event. He would like volunteers from the Club to help with the event. He will be emailing a revised event suggestion to the secretary.

Sawyer MacKay presented ideas for additions to the Kids Fishing Derby activities. Teaching and practicing casting with plastic fish. Fish identification cards that you can use as a game. Basic know tying, a bit on bugs of the water, and a drawing station. Put out pictures of brook trout, rainbow, brown trout and let them draw the fish. Magnet fishing in a kiddie pool for the younger kids. We have equipment for this.

Nominations received at the Meeting:

Mark Bukowski - Alternate Director

We will have a white board at the annual meeting, call for nominations and place the names of those previously nominated and nominated at the Annual Meeting on the white board so that Write-In votes can be made on the Ballot.

Questions:

A question was asked by Cindy Wyss it was decided that the discussion of the question she had should be held after the meeting.

A member asked how he would volunteer for events or activities at the club. Usually we have a sign up sheet prior to the event.

A question about the Kids Fishing Derby – Do they have to sign up before the derby?
No they sign up the day of the Derby. The Fishing Derby will also be promoted on the 4-H club sight.

The Meeting was adjourned at approximately 7:45 pm

The Directors present stayed after the meeting to talk with Cindy Wyss.
