The Enfield Outing Club is having machine gun shoot. It is Sunday September 20th in Enfield NH from 10am to 4pm ish, from 12pm to 1pm we stop for lunch. The club should have burgers, hotdogs, chips and soda to sell for lunch. This shoot is to raise money for the club and have fun shooting some fun guns. I'm the one supplying the guns. Normally this is for members of the club and their guests but for this shoot the club is opening it up to other gun clubs. If you are a member of a gun club then all you have to do is show up and show them your membership card from your gun club and you can get in. There is no entry fee.

The way it is done is that you "rent" the guns. It's \$15 to rent a gun and shoot a few mags through or you can pay \$150 and get an all access wristband and you can shoot whatever you want as many times as you want. I also have some Free non machine guns to shoot,. You're welcome to bring your own ammo, it needs to be factory or good surplus. There will be someone there selling ammo but the supply might be limited. Here is a list of calibers of the guns that will be there.

.22lr
5.56x45
7.62x25
7.62x39
7.62x51
7.62x54
9mm
9mm Makarov
45acp
12g
20g
30 Carbine
30/06

So this year I have 11 free guns to shoot and 31 machine guns this time.

Attached is a list of guns that should be there. If you have any questions feel free to ask. If you think this is something your members would like then share this info with them.

Hello,

I brought this to the Monthly Meeting to get the OK to send this info to our members via email.

Mark Lancaster who is on our Board of Directors spoke up and gave is some more info on your annual Machine Gun Shoot and I have emailed this to our members and will be putting a bit about it up on our website.
